Dear Lou,

As you can see, I regard a good offense as the best defense.

If there is any difficulty in shipping the rifle, it is okay to send it to me c/o the Frederick, Md. City police. I have asked them.

For that day when you can refund my expenses, from the last court thing in Washington, I have these additional expenses:

Mileage, 131 @ 8¢	10.48
Postage	2.48 (returning borrowed evidence)
Xeroxing	1.40
Car Parking	2.20
	16.56

There were two phone calls to Wecht who asked me to make the phone company will be checking with you about. They were mistakenly out on my bill.

I have asked Aaron John to resign, on the ground that he was responsible for bringing the biggest racist ever (Banister) to N.O. and I have written a few other letters with which I have not troubled you. In this connection, note last paragraph in enclosed.

Best regards,

Harold Weisberg
